Table B The Evolving Definition of SMEs in Taiwan

Year of Modification	Industry	Manufacturing	Construction	Mining and Quarrying	Commerce, Transportation Services and Other Services
September 1967		Capital under NT\$ 5 million; and regular employees under 100 persons.			Annual operating revenue under NT\$ 5 million; and regular employees under 50 persons.
March 1973		Registered capital under NT\$ 5 million and total assets not exceeding NT\$ 20 million, or registered capital under NT\$ 5 million and the number of regular employees in accordance with the standards as below: (1) under 300 persons for garments, clothing and electronics industry; (2) under 200 persons for food products industry; (3) under 100 persons for others.			No change
August 1977		Paid-in capital under NT\$ 20 million and total assets amount not exceeds NT\$ 60 million, and the number of regular employees not exceeds 300 persons.		Paid-in capital under NT\$ 20 million and the number of regular employees not exceed 500 persons.	Annual operating revenue under NT\$ 20 million; and regular employees under 50 persons.
February 1979		No change		Paid-in capital under NT\$ 40 million.	No change
July 1982		Paid-in capital under NT\$ 40 million and total assets amount not exceed NT\$ 120 million.		No change	Annual operating revenue under NT\$ 40 million.
November 1991		No change, except for extending industry terms into construction.		No change	No change
September 1995		Paid-in capital not exceeds NT\$ 60 million; or regular employees not exceed 200 persons.			Total operating revenue in the preceding year not exceeds NT\$ 80 million; or its regular employees not exceed 50 persons (extending industry terms to agriculture).
May 2000		Paid-in capital not exceeds NT\$ 80 million; or regular employees not exceed 200 persons.			Total operating revenue in the preceding year not exceeds NT\$ 100 million; or its regular employees not exceed 50 persons (extending industry terms to agriculture).
